VOL 2.6
3 FEBRUARY 2025

Note from the Principal

Greetings Lincoln Family!

As you know, we have been struggling with all the sicknesses going around. Please be assured that we are doing our part in cleaning the building and trying not to spread it to one another. We encourage the students daily to wash their hands and stay well. Parent Teacher Conferences are coming. We want to welcome all of you to see what your child has learned and how they are progressing. Students still have many things to learn before testing comes in April. Thank you for supporting Lincoln and please know we love your kids!

Angie Morgan
Lincoln Principal

Why attendance matters!

-Only 17% of students considered chronically absent in kindergarten and 1st grade was reading proficient by the 3rd grade.

-Over 2/3 of fourth graders in the United States are NOT reading on grade level.

-By 6th grade, chronic absenteeism is a leading indicator that a student could drop out of high school.

-Students who attend school regularly are more likely to graduate & find good jobs.

-A high school graduate makes \$1 million more than a dropout over a lifetime.

-The good news is- students can reverse poor academic performance with improved attendance.

JANUARY OPTIMIST STUDENTS OF THE MONTH

5th: Harlow Cowley, Luke Jones, Jackolbi Ford, Athena Hawpe
6th-Kambelle Willard, Michael Smith, Owen Luers, Siera Bruer
